About SailPoint

At SailPoint (Nasdaq: SAIL), we believe enterprise security must start with identity at the foundation. Today's enterprise runs on a diverse workforce of not just human but also digital identities—and securing them all is critical. Through the lens of identity, SailPoint empowers organizations to seamlessly manage and secure access to applications and data at speed and scale. Our unified, intelligent, and extensible platform delivers identity-first security, helping enterprises defend against dynamic threats while driving productivity and transformation. Trusted by many of the world's most complex organizations, SailPoint secures the modern enterprise.
